

To mark the celebration of the feast of Christ the King the 2ne class children brought up a crown and a staff.

The crown is a reminder that Jesus is our King who teaches us how to love God and one another.

The staff reminds us that Jesus is our Good Shepherd who looks after us with tenderness and love.

They also brought up prayers for our parishioners who were called home in the past year.

May they rest in peace Amen.

Dates of future masses.

January 12th. - March 19th. - April 17th.
